

Early Childhood Special Education (ECSE)

Essex County Public Schools' early childhood special education preschool programs provide educational services for children ages two to five with developmental delays identified through the Special Education eligibility process.

Program Highlights

- Services are provided in an elementary school program or in the child's home depending on the child's individual needs
- Small group and individualized instruction is provided in the classroom
- A consistent daily routine is followed in the classroom
- Parent training and activities are offered to emphasize that parents are the child's first and most important teacher
